## OUR SERVICES

---

### Co-Curricular Activities

At the senior school, our vision for the co-curricular life reflects exactly what our motto states "Step to Success". Through our wide range of co-curricular opportunities, we aim to ensure that our students excel in their passions both in and out of classroom. This will build a unique personality trait in our students.

### Activities offered

We offer a range of activities which include sports, music, drama & a choice of clubs ( model united nations, wildlife, scouts, board games and many more). The students foster their competitive spirit in Inter-House competitions.

### Leadership

Throughout all of this, a theme of leadership reinforces the co-curricular life at Jalaram Academy with every activity be it sports, music, drama or clubs; promoting the ethos that our students should be learning key leadership skills which help them in life. by doing this they develop team players and leave us confident in the way in which they can shape the world
